

Jersey Post's Premium Postage Service

This guide shows the destinations to which customers can send mail items up to 2kg using our Premium Postage services (Signed-for and Tracked & Signed).

It's important to note that while this list shows the services available in each destination, Jersey relies on its postal network partners to provide the final element of the Signed-for and Tracked & Signed services and in some instances, there may be service failures beyond Jersey Post's control.

Note: 'Tracked-only' services with no signature on delivery are indicated by (T).
