

LETTERS TO *Santa*

Santa is getting ready for Christmas and loves to receive your letters!

We've put together some top tips to ensure your letter reaches him and he can write back in time:

- Write your letter – tell Santa about any good deeds you've done this year, and your Christmas list.
- Include your full name and address, so he can write back!
- Decorate it with drawings, and stickers to make it extra special!
- Address it to – Santa, North Pole.
- Post it by 12th December – Have your parents take it to any Post Box on the island. Or to one of our special boxes at Broad Street or Rue des Pres Post Offices, the Library (St Helier), or St Saviour's Parish Hall. Jersey Post will handle the rest!

Santa can't wait to hear from you - Happy Christmas!
