Sending Christmas Cheer

Simple tips for ordering, packing and posting over the festive season

Order

Order early

Planning ahead pays off. Ordering gifts and essentials early gives you more choice, more flexibility and more time to ensure everything arrives before the big day.

Shop the UK high street with ship2me

Access thousands of UK retailers that don't ship to Jersey, giving you more choice when shopping. ***Sign up at www.ship2me.co.uk***.

Send

Pack parcels properly

Use sturdy packaging, secure fragile items and clearly display the recipient's address. ***Remove any old labels or barcodes if reusing boxes.***

Sending overseas? Complete your customs form

Provide clear descriptions of items and an accurate value to help avoid customs delays. ***For example, write "red cotton t-shirt" rather than simply "clothes".***

Prepay VAT when sending to the UK

Prepaying VAT can help your parcel move more smoothly through the delivery process and avoid unexpected charges for the recipient.

Christmas Stamps

Our festive stamp issue is available from all Post Offices from 9 November. Featuring scenes inspired by Jersey's festive traditions, they're the perfect addition to Christmas cards and seasonal mail.

Letters to Santa

Post your letter to the North Pole by **18 December** and our Posties will deliver it to the man himself. ***Make sure you include your name and address so Santa can reply!***
