LETTERS TO *Santa*

Christmas is on its way, and Santa is getting ready to hear from children across Jersey!

If you've been working hard to stay on Santa's nice list, now is the perfect time to send him your Christmas wishes. Jersey Post will make sure your letter travels all the way to the North Pole and lands safely in Santa's busy workshop.

How to send your letter to Santa:

WRITE YOUR LETTER
Tell Santa all about your year, the good things you've done, and of course, what's on your Christmas wish list.

Don't forget to include your name, full address and postcode so Santa can write back.

MAKE IT MAGICAL
Add drawings, colours, stickers, or festive designs to make your letter extra special.

ADDRESS IT CAREFULLY
Write 'Santa, North Pole' on the envelope.

POST IT
Ask a parent or guardian to pop it into any Post Box on the island, and we'll take care of the journey to the North Pole.

Don't forget!
Post your letter by 18 December to give Santa time to read it and reply to you before Christmas Eve!

Jersey Post
Delivering for you
