Help ME.

Something is following ME and IT is Not Human. IT is deceiving it looks So Small. when you Look into it you can only See the black depths of the World. But you go up to it. Then it bites your whole arm off and all you can hear is the crunching, Snapins and a Sound that you Can't un-hear.

My ... Name is Mary Cole

date of Letter is:

2025 October 31st

I am in The Forest...
