Once Upon A Letter...

Write your story in the form of a letter, up to 850 words.

Dear Ebony

Guess who has moved in next door.
My new neighbour is a dragon. With mighty wings and it is blue and it is a fierce dragon. Yesterday, I met a friendly dragon that let Me ride on his back and he let me lay on his back. Yesterday, I met his friend who was a terrifying dragon.
When I had no milk for my tea I had to fight the dragon I used my armour and a sword to wind I won! Love from Oscar
