Once Upon A Letter...

Write your story in the form of a letter, up to 850 words.

Dear Isabella
Guess who lives next door to me?
A dragon!
The dragon is a purple, shiny dragon with a flufly blue tail and a bumpy taunge. Her breath comes out with gold stardust.
Yesterday, I met a friendly dragon and she let me ride on her soft, flufty back and we went to a castle. We had a big feast with friut and bread with some tea. It was a great day.
love from Riley.
